

INFINITY® DYNASTY

The Infinity Dynasty is the leading edge of massage chair innovation. Sporting more features than any other product in our lineup, the Dynasty is a chair that doesn't compromise and neither should you.

This versatile chair is designed to support a wide range of users, it's state of the art body scanning adjusts the massage range to best fit its users. This technology allows the chair to always reach your problem spots for maximum relief. Use the iOS or Android app to control your massage chair, when you've chosen your perfect program, place your applicable device into the contact charging well. When your massage is over, you and your phone will be recharged and ready to go.

The Dynasty 4D is the culmination of years of innovation designed specifically to change your life.
